

Please note that in order to avoid any potential trip hazards, the uppermost surface of the roof, must be installed flush with the top of the rooflight.

### SECTION A-A

### NOTES

1. Do not scale from drawings.
2. All Mercuri drawings must be read in conjunction with all other relevant project drawings.
3. Any discrepancy should be notified immediately.
4. All dimensions are in mm unless otherwise noted.
5. All kerbs provided by others to be fully constructed, weathered and sealed prior to installation.
6. Klarity external rooflights should be installed prior to the roof being completed and the top weatherproofing membrane/finish being installed.
